**Subject:** RE: Country Hill Estates Update

Good morning,

I wanted to provide you with a quick update. Staff have notified me that they had a productive meeting with Cornwall Sand and Gravel, and are preparing a document with responses to all outstanding items. It will be ready at the beginning of next week at the latest. As I said before, I will provide it to the Association as soon as it is ready.

Thank you again for your attention to these issues and your involvement in the community.

Warmest regards,

George
